

## TEACHERS JOIN RANKS OF LABOR

Chicago Schoolmarm Apply for Charter in the American Federation and New York Women May Follow Their Example.

WELCOMED BY MR. GOMPERS.

Time Is Not Distant, It Is Believed, When the Pedagogues of the United States Will Be United Under a Strong National Union.

Will the teachers in the public schools of New York follow the example of the Chicago Teachers' Federation and apply for a charter in the American Federation of Labor? This question was discussed by hundreds to-day following the announcement that the Chicago women had voted almost unanimously to ally themselves with the union labor movement.

While the action of the Westerners came as such a surprise that it had not been given mature thought in New York many teachers here, including scores of principals, agreed that the results to be obtained by the adoption of the Chicago plan might prove a benefit. It was predicted that the time was not distant when the teachers of the United States would be well organized as a national union.

Supt. Maxwell said the matter had come to his attention too suddenly to speak decidedly on it. He said, however, that he believed in the combination of labor as well as capital, and that after all the teacher was only a laborer. He believes that much favorable legislation might be secured if the teachers were thoroughly organized and backed by the hosts of labor.

Gompers Welcomes Them. CHICAGO, Ill., Nov. 10.—That the Chicago Teachers' Federation will be welcomed by the American Federation of Labor was evidenced by the receipt of a telegram from Samuel Gompers, congratulating them on the course pursued in voting to become a part of labor. Mr. Gompers sent fraternal greetings from the organized labor of the country.

Chief of the organizers and promoters of the teachers' union in Chicago are Miss Catherine Goetz and Miss Margaret Haley, whose work in behalf of public school teachers has already attracted wide attention.

While the action of the Westerners came as such a surprise that it had not been given mature thought in New York many teachers here, including scores of principals, agreed that the results to be obtained by the adoption of the Chicago plan might prove a benefit. It was predicted that the time was not distant when the teachers of the United States would be well organized as a national union.

## MISS GOGGIN, OF CHICAGO, HEADS TEACHERS' UNION.

## GIRL SHOT THIEF, THEN FAINTED.

Aroused by Mother's Scream She Bravely Pursued Intruder and Emptied Revolver at Him.

Burglars planning a winter campaign in New Jersey will do well to avoid the home of Sylvester Van Dine at Midvale, near Paterson.

Mrs. Van Dine awoke yesterday and saw a man in the room. She screamed and the burglar fled. Her husband jumped from bed, but while he was fumbling for a match Miss Van Dine sprang from her bed in an adjoining room and, taking a revolver from her bureau, hurried into the hall just as the burglar reached the front door. She fired twice before the

fellow got away, and then fainted. So far as known, the shots missed. The burglar was evidently acquainted with his surroundings, and is supposed to have known that Miss Van Dine collected on Saturday was in the house. He secured this, but in his hurry to escape he dropped a pocketbook belonging to Mrs. Van Dine which contained \$40.

## NEW HALL FOR LABOR.

Wealthy Man Said to Be Planning Erection of Building.

The members of the Central Federated Union want more commodious quarters for their meetings, and this has been promised them by Robert Hunter, head worker of the University Settlement Building, 14th Street and Broadway, where the meetings are held.

Mr. Hunter, said Daniel S. Jacobs, one of the leaders in the labor movement, "has informed the Board of Trustees of the Central Federated Union that some wealthy man connected with the settlement was planning the erection of a labor hall for labor meetings alone."

## WARSHIP SAIL.

The United States battleship Alabama, Capt. C. H. Davis, and the battleship Massachusetts, Capt. H. N. Manley, called for the winter manoeuvres at Culebra Island.

## MRS. TAILOR NOW MRS. CECIL BARING

Youngest Daughter of Pierre Lorillard Married in London to Member of Banking Firm.

Mrs. T. Suffern Tailor is the bride in London of the Hon. Cecil Baring, brother of Lord Revelstoke and the Wall street representative of the great banking house of Baring Bros. This is confirmed by relatives of the bride who have been informed of the marriage by cable.

Mrs. Baring, who is the youngest daughter of the late Pierre Lorillard, is also the former wife of T. Suffern Tailor, the noted whip and clubman. She obtained her divorce in August and in September crossed the ocean. Prior to her departure it was said that she and Mr. Baring were engaged.

No authoritative announcement was made. Neither was there a denial. Mrs. Baring made her debut in society twelve years ago. Her marriage to Mr. Tailor followed in a short time. Two years ago they were estranged and Mrs. Tailor went West to seek a divorce. She was recalled by the illness of her son, who is now with his father. The divorce followed.

Both Mr. and Mrs. Baring have been members of the colony at Tuxedo, together with Hugo Baring, a brother of the bridegroom. All were extremely popular with the members of their set, and it was noticed that Mr. Baring's attentions to the woman who is now his wife were extremely marked. After the divorce they were often seen driving together and as a consequence the report of their wedding was not a surprise.

Mr. Baring has been in this country for a number of years and at one time it was rumored that he was engaged to Miss Grace Wilson, the daughter of R. T. Wilson, who is now Mrs. Cornelius Vanderbilt. This was afterward denied. As her presumptive father-in-law, Mr. Baring has always ranked high in society. He is said by those who know him to be a man of decided charm of manner. His wealth is considerable.

## FOUR MONTHS' HONEYMOON.

And All the Time Major Parker and Nurse Campbell Kept Their Secret.

After a four months' honeymoon, Major W. S. Parker, military instructor on Randall's Island, and Miss Letitia N. Campbell, for two years head nurse in the House of Refuge have announced to their friends that they have been married since July 23.

The Major took his vacation in July, and no one thought it strange when the head nurse in the House of Refuge asked for a leave of absence shortly afterward. They were married in St. Cecilia's Church, One Hundred and Sixth Street and Lexington Avenue, by the Rev. Father Pendergast, and took up their home at No. 217 Arthur Avenue.

Returning from her leave, the head nurse asked for and was granted an indefinite leave of absence. Her explanation that she wanted to give up work for the present was received without question.

## MRS. T. SUFFERN TAILOR MARRIES LONDON BANKER.

## SHOT IN QUARREL OVER PRETTY GIRL

Jacob Aineth Seriously Wounded and His Rival, Michael Miller, Is in Jail.

A quarrel over a pretty housemaid, "Rosa," ended in a shooting affray at the home of Valentine Aineth, No. 335 West Thirty-ninth Street, early to-day. Jacob Aineth, nephew of the owner of the house, is dangerously wounded in the abdomen, and Michael Miller is under arrest, charged with the shooting.

Miller is a boarder in the house, and for a long time it is said that there has been ill-feeling between him and Aineth over the girl. There were frequent words and disputes, but nothing of a serious nature was expected. Last night the quarrel became heated and the men fought.

They were separated and Valentine Aineth made his nephew promise to leave both "Rosa" and Miller alone. He forgot his promise and renewed the quarrel with his rival. Early this morning Miller ran into the West Thirty-ninth Street station and reported that a man had been shot at No. 335 West Thirty-ninth Street. The police took him there and found Michael, who charged him with the shooting.

## INDIA SAYS NO.

LONDON, Nov. 10.—A special despatch from Calcutta says the Indian Government has refused the Standard Oil Company permission to prospect in the oil fields of Burma.

## NEW MUSKET A WONDER.

Ordinance Bureau Has Devised Weapon That Surpasses All.

WASHINGTON, Nov. 10.—General William Crozier, Chief of the Bureau of Ordnance, in his annual report to the Secretary of War, says the improved musket has been completed and tried with very satisfactory results, the various changes not only improving the weapon, but cheapening and accelerating the production. The roll bayonet is a feature of the new rifle. Its advantage is said to lie in the fact that it lightens the weight of the gun and dispenses with the bayonet and bayonet scabbard now in use, and in the place of which intrenching tools may be carried by the soldier.

The new piece weighs but a little less than nine pounds and is a half, considerably lighter than the German and Mauser. It has greater velocity and greater penetration. It is noted that options differ as to the value of the roll bayonet. The construction of 5,000 of the new muskets has been authorized.

## Prof. Robert Koch.

The medical world recognizes Prof. Robert Koch, of Berlin, as the greatest authority on lung diseases, as he discovered the germs that cause consumption and the treatment that destroys them. It has been his lifetime study to devise a treatment that would entirely eradicate the germs that cause such diseases as asthma, bronchitis and consumption, so that no one need contract such diseases by breathing the germs into the lungs. His treatment is at 119 West 22d St., next to Ehrlich's store, where patients are treated daily at Dr. Koch's sanitarium, where wonderful cures are made of patients in the last stages of lung trouble, which by careless neglect has extended into the lungs, causing hemorrhages and breaking down of lung tissue. The mistake of neglect until the patient is in the last stages of consumption is often made, but it should not be. Cough and loss of strength should warn one that their time is valuable, neglect is dangerous, and should at once consult a lung specialist who is successful. Like the one at 119 West 22d St., next to Ehrlich's store, where free examinations are given between the hours of 10 and 7 daily.

## SOCIETY MAN TO BECOME MINISTER.

Alfred Duane Pell, Millionaire. Soon to Be Ordained in the Episcopal Church.

Alfred Duane Pell, millionaire and member of one of New York's oldest families, will soon be ordained a minister of the Protestant Episcopal Church.

Mr. Pell is the son of the late George W. Pell and is famous here and abroad as a connoisseur and collector of china and artistic silverware.

His home is the famous old Pickard mansion at Fifth Avenue and Seventy-fourth Street, in which is his almost priceless collection.

Graduating from Columbia College in 1887, Mr. Pell travelled extensively, then returned to New York to marry Miss

Cornelia Livingston Crosby, and devoted himself to charitable and religious work. Always interested in theology he began his systematic study several years ago and recently passed his final examinations privately. When Archbishop Tappan established the mission of the Holy Nativity at Bedford Park two years ago Mr. Pell became its lay reader, a position which he continues to fill.

THIS BOY HAS DISAPPEARED. John McGovern, Twelve Years Old, Missing Since Oct. 19.

A general alarm was sent out from Police Headquarters this morning for John McGovern, twelve years old, who has been missing from his home at No. 202 West Sixtieth Street, since Oct. 19. He is about three feet seven inches tall, weighs about sixty-five pounds, has light complexion and blue eyes. When he left home he wore a light blue coat, corduroy pants, lavender striped shirt, black overcoat, black shoes and stockings and Fedora hat.
